

CLUBHOUSE COMMITTEE MINUTES – February 17, 2016

Members Present:

Pat Wiley

Lori Kingsbury

Rick Jamieson (for Pat Gastineau)

Mary Lou Jamieson, Chair

The meeting was called to order at 6:34 p.m.

During the walk-thru everything was fine except the seat on the stationary bike is torn. I had notified Tim & he suggested that we just mend it with some black tape for now.

Old Business:

- Broken seat on the weight bench in weight room is still not fixed. Tried to find a replacement seat, but company is no longer in business. Tim notified Vision Fitness, company who checks our equipment quarterly, & they are going to check into a replacement part, & come out & check it. He will let me know when & what they decide.
- Robert, our janitor, has agreed to clean in the pool area, the tables, chairs, kick plates, & occasionally sweep off the gathered bugs from the walls, at no extra charge.

New Business:

- Got a new panic bar for the west door of the Clubroom. We had problems with the locking mechanism on the old one. It was under warranty, so it was at no cost, & George installed it for free. Thank you George!
- Tim has ordered 6 new lounge chairs for the outdoor pool area.
- We are getting a new sign for the front door with our name & the Clubhouse hours.
- Discussed renting the pool for parties, like we do the Clubroom, as I have had inquiries & had been asked why we don't do that. We were okay with the idea, but were concerned about the liability insurance.
- Outside lights to the flagpole aren't working again.
- Do we ever get the inside rugs cleaned?
- Picked out our favorite carpet sample for the Clubroom,

Meeting was adjourned at 7:30 p.m.

Our next meeting will be Wednesday, March 16, 2016, at 6:30.
